Welcome Message

SNVICON 
2026 NAGPUR

Dear Colleagues,

It is with great pleasure that I welcome you to **SNVICON 2026**, the Annual Conference of the **Society of Neurovascular Interventions**, to be held from **12th to 14th June 2026** in **Nagpur**.

SNVICON 2026 aims to provide a contemporary academic platform that reflects the rapid evolution of **Neurovascular and Endovascular Neurosciences**. The conference will bring together leading clinicians, researchers, innovators, and young professionals to engage in thoughtful discussions, share experiences, and explore emerging concepts that continue to redefine patient care in neurointervention. The scientific program has been carefully structured to balance evidence-based learning with practical insights and future-focused thinking.

A major academic highlight of the conference will be the **Professor Luc Picard Memorial Oration**, which will be delivered by **Professor René Chapot (Germany)**. A global leader in neurointervention, Prof. Chapot's contributions to endovascular techniques and clinical innovation have had a profound impact on the field worldwide, making this oration a truly special feature of SNVICON 2026.

Nagpur, the host city, offers a calm yet vibrant environment for this scientific exchange. Located at the geographical center of India, the city is known for its accessibility, green spaces, and warm hospitality. Delegates will have the opportunity to experience the cultural ethos of the Vidarbha region and enjoy the local cuisine, adding a distinctive regional flavor to the conference experience.

We are confident that **SNVICON 2026** will be intellectually stimulating, professionally enriching, and personally rewarding for all participants.

We look forward to welcoming you to **Nagpur in June 2026**.

Case in a Box

SNVICON 
2026 NAGPUR

CASE SUBMISSIONS OPEN NOW

- We invite cases for presentation as “CASE IN THE BOX” during the academic sessions in SNVICON 2026.
- Each session will begin with two case in the box presentations of 10 mins duration each. (8 mins presentations + 2 mins Q & A)
- A panel of judges will evaluate each case for an award.
Awards would be given as
 - A. 1st and 2nd best cases of each day
 - B. 1 and 2nd and 3rd best cases of entire conference.
 - C. All awards would be given during the Valedictory function (only the awardees present would be eligible)
- Registration is mandatory for submission of cases.
- You are encouraged to submit as many cases as you like; however selection will be based solely on the basis of merit as decided by the academic committee appointed by the EC. In case of a tie, preference would be given to member of SNVI.
- Out of the submissions, A total of about 20 cases would be selected for presentation in the conference (in the main hall during the primary sessions).
- All 20 cases will be eligible for awards, provided the presenter has attended the entire conference (access to hall will be barcode controlled).

Criteria for Case Submission

1

Qualifications : The primary author must hold one of the following

- FNB/SNVI fellows will be given preference
- DM/DNB Neurology
- MCH/DNB Neurosurgery
- DM in Neuroanesthesia

2

Field of Work : The case must be in the domain of neurovascular interventions with a carry home lesson

3

Originality : The case must be an original case performed / assisted by the presenter

4

Content :

- Not only unusual or challenging cases are invited, but even routine cases done well with good results and without any complications can be submitted (Complications can be submitted if tackled well with a good final outcome)
- Cases should deliver an academic message and be suitable for presentation on an international platform in presence of esteemed international and national faculties.
- Images and videos submitted should be of HD quality this would be one of the criteria for case selection (No photos/videos taken by cell phone would be entertained)
- Cases with follow up would be preferred.
- At present, only abstracts are invited in the prescribed format. All cases would undergo a peer review process. Authors of the selected cases will be notified via E-mail and will have to submit entire case ppts by 1st June 2026.

Please Adhere To The Below Specified Format When submitting case Abstracts

- 00 Presentation Categories < Consultant
Fellow
- 01 Title of the Case
- 02 Clinical History
- 03 Radiological & DSA Findings
- 04 Treatment Plan
- 05 Hardware Used
- 06 Summary of the Procedure
- 07 Unique Aspects of Case OR What was
different in your case
- 08 Key Learning Points for the Audience
- 09 Rationale for Selection of Your
Case for Presentation

LAST DATE OF ABSTRACT SUBMISSION IS 30th APRIL 2026

Please submit your cases via email to : snvicon2026cases@gmail.com

For more details please contact

Dr. Satish Lahoti +91 95271 12266

Programme Highlights

01

The Scientific Programme of the Ninth Annual Meeting of SNVICON will feature 10 theme-based scientific sessions spread across three days.

02

Each session will begin with two "Case-in-the-Box" presentations aligned with the session's theme.

03

These case presentations will be followed by expert lectures from leading national and international faculty

04

Angiosuite Masterclass → Pre-Conference Workshop (11th June 2026)

05

Dedicated Focused Symposiums will cover :

- Innovative Therapies for Aneurysms - including Intra-saccular Devices and Flow Diverters
- AVMs (Arteriovenous Malformations)
- Venous Pathology

06

Awards & Prizes :

- Daily awards for best paper presentations
- Special recognition and prizes for the Top 3 Best Papers of the entire conference

Pre Conference Workshops
11th June 2026

ANGIOSUITE MASTERCLASS 2026

SNVICON
2026 **NAGPUR**

Practical Neurointervention for the Real World

Practical Wisdom from Experts for the Next Generation

Neurointervention is a field where outcomes depend not just on knowledge, but on real-time judgment at the angiosuite table. While textbooks teach anatomy and techniques, the real challenge lies in applying this knowledge effectively during complex procedures.

This masterclass is designed with a clear purpose - **to bridge the gap between theory and real-world neurointerventional practice.**

Through focused case-based discussions, expert insights, and highly interactive sessions, participants will gain practical strategies to manage both routine and complex neurovascular conditions encountered in daily practice.

Our goal is simple :

To enhance confidence, clarity, and competence in the angiosuite.

🎯 Core Learning Objectives

- **Procedural Planning** - Thinking before entering the angiosuite
- **Device Selection** - Choosing the right tool for the right case
- **Complication Avoidance** - Anticipation and prevention strategies
- **Decision-Making** - Handling difficult and unexpected scenarios

📚 Focused Learning Formats

- Recorded Live case discussions
- “How I Do It” short expert talks
- Device-specific practical insights
- Interactive audience voting on management decisions
- Hands-on experience on Flow models and 3D printed vascular models with Actual devices.

We warmly invite trainees and practicing clinicians to engage with experienced experts who will share not only their successes, but also invaluable lessons from challenging cases.

We look forward to an intellectually stimulating and highly practical academic experience.

Dr. Satish Lahoti

SNVICON 2026

Pre Conference Workshops
11th June 2026

ANGIOSUITE MASTERCLASS 2026

SNVIC 
2026 NAGPUR

Practical Neurointervention for the Real World

REGISTRATION

FELLOW : INR 5000/-

CONSULTANT : INR 10,000/-

**Register for
Workshop**

Timings : 11th June 2026 - 03:00 PM onwards

Workshop 1 - When Every Minute Counts : Decision Making in Acute Stroke Intervention

- ➔ Which technique do I select
- ➔ What are the Hardware options I have
- ➔ Which Stent retriever would be ideal for my case
- ➔ Which Aspiration catheter would be ideal for my case
- ➔ Tips and Tricks for efficient first pass

The Angiosuite Decision Arena

Format :

1. A real angiographic case will be shown
2. Audiences Vote for Management Decisions
3. Experts explain their approach
4. Real Outcome will be shown

Cases will be focused on :

1.	Navigating a difficult arch
2.	Frontline Aspiration Thrombectomy
3.	Stent Retrieval Thrombectomy
4.	Combined Approach
5.	Double Stent Retrieval Technique
6.	Approach in Tandem Lesions
7.	Rescue Stenting
8.	Venous Thrombectomy
9.	Why did my thrombectomy fail? 2 cases of failed thrombectomies - for expert opinion - What the experts would have done differently

Pre Conference Workshops
11th June 2026

ANGIOSUITE
MASTERCLASS 2026

Practical Neurointervention for the Real World

Workshop 2 - MMA Embolisation

1.	Anatomy and dangerous anastomosis with relevant radiology
2.	How I select my cases
3.	Techniques and Hardwares with one live recorded case each for a) GLUE b) ONYX c) PV PARTICLES
	QnA

Workshop 3 - Aneurysm and Flow Diverter Workshop

1.	10 things I should plan before a coiling
2.	Which FD is ideal for my case
3.	Tips and Tricks in deployment of FD
	QnA

Workshop 4 - Special Talks

1.	Beginners Guide to Neurointervention
2.	Radial Approach - Tips and Tricks
3.	How to use a closure device

Work Stations

-	Hands-on experience on Flow models and 3D printed vascular models with Actual devices

Tentative Scientific Sessions

Day 0, 11th June 2026 - ANGIOSUITE Masterclass (Pre-Conference Workshop)

Day 1, 12th June 2026	
Time	Session
07.30 AM Onwards	Registration
09.00 AM - 11:00 AM	Session 1 - Carotid interventions
11.00 AM - 01:00 PM	Session 2 - Acute Stroke 1
02:00 PM - 05:00 PM	Session 3 - Acute Stroke 2
05:00 PM - 07:30 PM	Session 4 - ICAD
08:30 PM onwards - Dinner	

Day 2, 13th June 2026	
Time	Session
09.00 AM - 10:30 AM	Session 1 - Aneurysm Coiling
10:30 AM - 11:30 AM	Session 2 - Lucpicard Oration
11:30 AM - 01:30 PM	Session 3 - Aneurysm - Assisted Coiling
02:00 PM - 03:30 PM	Session 4 - Intravascular Devices
03:30 PM - 05:00 PM	Session 5 - Flow Diversion 1
05:00 PM - 07:00 FM	Session 6 - Flow Diversion 2
08:00 PM onwards - Gala Dinner	

Day 3, 14th June 2026	
Time	Session
09:00 AM - 10:30 AM	Session 1- AVM
10:30 AM - 11:30 AM	Session 2- AV Fistulas
11:30 AM - 12:30 PM	Session 3 - cSDH, NPH
12:30 PM - 01:30 PM	Session 4 - CSF - Venous Fistulas, SIH
01:30 PM onwards - Lunch

Accompanying Person	10000	10000	10000

Inclusions :

- Conference Registration Fees
- Conference lunches & dinners
- Entry to conference sessions and exhibition area

Terms, Conditions & Cancellation/Refund Policy :

- The registration fee includes GST.
- Conference registration is mandatory for all participants.
- Only spouses are permitted as accompanying persons. Fellows are strictly not allowed to register as accompanying persons.

Cancellation and Refund Policy :

- Cancellations made by 15th April 2026 : Eligible for a 75% refund.
- Cancellations made by 30th April 2026 : Eligible for a 50% refund.
- No refunds will be issued for cancellations made after 30th April 2026.
- All the requests for cancellation of Registration must reach conference secretariat (Mr. Raju Andulkar - AEM Events) on or before 30th April 2026 in writing on snvicon2026nagpur@gmail.com, as per the cancellation policy.
- All refund processes will be initiated after the conference.

General Guidelines / Notes

Please fill in the enclosed Registration Form and send it to snvicon2026nagpur@gmail.com (soft copy only).

All the requests for cancellation of Registration must reach conference secretariat (Mr. Raju Andulkar - AEM Events) on or before 30th April 2026 in writing. Refund of registration fees (less 25% administrative charges) will be done after the conference. Strictly no refund will be made for registration cancellations after the last date.

It is essential to have a functional Email ID and Mobile number (preferably on WhatsApp) as all communications will be done either by e-mail or through WhatsApp.

Kindly mention your WhatsApp number in registration form.

About Venue

Hotel Centre Point in Nagpur is a well-regarded, upscale business and leisure hotel located centrally at 24, Central Bazar Road, Ramdaspath, offering modern amenities, multiple dining options, extensive banquet facilities, a spa, gym, and pool, praised for its warm hospitality, central location, and blend of comfort and convenience for various travelers, providing a 5-star experience with a range of room types from standard to suites,

Hotel Centre Point

HOW TO GET HERE?

The nearest airport is Dr. Babasaheb Ambedkar International Air Port which is 5 kms. from Hotel Centre Point, Nagpur.

The nearest railway Station is in the heart of city which is well connected with all major cities of Country. Nagpur railways Station is in center of India.

Centrally located on National Highway 6 (East-West corridor) and National Highway 7 (North South corridor), Nagpur offers excellent road connectivity to all major parts of the country.

About Nagpur

Nagpur city is the second capital of Maharashtra, a cultural mix of all known corners of India. For ages Nagpur has been popular for quality oranges and hence is called as the “Orange City” of India. Being at the country’s centre, it is strategically located and is well connected by rail, road and air to all the major cities. The lush green surroundings in and around Nagpur gives it the status of being one of the green most cities in India & having many Tiger Sanctuaries.

Nagpur is proud of delivering health services to the people of central India with 5 Medical Colleges & hospitals, Multy-speciality Corporate Hospitals, Regional Cancer Hospital and other hospitals. In future it may be a hub in central India for Health care.
